

## What Are Others Saying?

Paula is one of the most dynamic speakers we have ever had at our women's retreat. Her messages have everything...humor, life illustrations, and most importantly of all, God's Word made alive and fresh and exciting!

*By Marilyn Olmstead, Br. Area Women's Gathering*

Paula is a woman of God who is friendly and personable. When Paula speaks she is articulate, skillful and aware of the needs of her audience. She has been greatly appreciated by the women who have heard her speak at Sandy Cove.

*By Candace Davison, Women's Ministry Coordinator*

Paula's love for the Lord is evident in all that she does in both personal and professional relationships. Combined with her outgoing, personable and caring personality makes her a perfect guest speaker. She has the wonderful ability to see humor in all aspects of life, adding that necessary zest and joy to all her engagements.

Sister Harris' Biblically-based and practical approach to ministry is sure to touch the lives of those who sit under her teaching.

*By Evelyn Barnes, Star of Hope Women's Retreat Co.*

Paula's effective insight into God's Word spoke to the hearts of all the women who attended last year's Annual Ladies Retreat. A second retreat was held several months later due to the enthusiasm expressed by the women who attended the first retreat.

### Romans 12:2 NKJV

I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

## Mission Statement

*Transformed Worldwide Ministries* is a nondenominational teaching ministry and outreach to women (and the ones they love). We **expound**, **exhort**, and **empower** through the Word of God so others may know Jesus Christ and be transformed into His likeness.

### **EXPONDING**

*Renewing Your Mind (Romans 12:1-2)*

- ✦ Join our lunchtime community Bible studies for women that are held at various locations. Witness how racial, denominational, social, and age barriers are being broken down to share the love of God with all women.

### **EXHORTING**

*Renewing Your Relationships (1 Cor. 13:13)*

- ✦ Request Paula, and her husband William, to speak at your next couples' retreat, seminar or workshop. Have both of these gifted Bible teachers come motivate you with practical insight from the Word of God.

### **EMPOWERING**

*Renewing Your Lifestyle (Acts 26:17-18)*

- ✦ Invite Paula to speak and sing at your next women's function. Experience laughter, energy and excitement as she passionately spurs your growth in Jesus Christ through the understanding of His Word.

*Paula Harris, Director*

Paula resides in Exton, Pennsylvania. She is married and has three sons, a daughter-in-law, and three grandchildren. By the grace of God, Paula has been called and equipped to be a teacher/exhorter. She thanks God for the privilege to travel and share with other women through this teaching ministry. She is a graduate of Lancaster Bible College and Peirce College. She is a certified C.L.A.S.S. Speaker. She is certified by Evangelism Explosion. She has taught Sunday School for more than 18 years. She is a member of Toastmasters International and the American Associates of Christian Counselors.

Previously, Paula's thoughts of happiness and success were dictated by the world in which she lived, but the Holy Spirit brought about a transformation by the renewing of her mind (Rom. 12:1-2). As a result, her burden is to help other women overcome the world's deception and understand God's perspective on how to live each day.

In March of 1985, she began teaching a one-day seminar entitled, "Transformed." Today, she travels and teaches wherever God sends her. One thing is certain, Paula enjoys equipping others in their search for truth from the Word of God.

Read more about our ministry at our web site. You can hear testimonies of women, order lesson material, read or sign up for our newsletters, read our statement of faith, see photos, and use Bible study or devotional tools. We realize that transformation is the work of the Holy Spirit and not of ourselves. We are instruments in Jesus' hands. The verse in 2 Corinthians 3:5 NKJV states, "Not that we are sufficient of ourselves to think anything as being from ourselves, but our sufficiency is from God." We trust you will contact us soon so we may come and be a blessing to your group! May our Lord's grace and peace overflow in your life.
